Change in the pottern of uniform for the Constabulary of the Maharashtra State.

GOVERNMENT OF MAHARASHTRA
Home Department.
Resolution No.UNF.0279/4877-POL-4.
Mantralaya, Bombay-32(BR), Dated the 29th March 1979.

READ:-Letter No. XXIV/5692-XVIII, dated the 16th February 1979, from the Inspector General of Police, Maharashtra State, Bombay.

RESOLUTION:- The matter regarding the comprehensive change in the uniform of the State Police Constabulary including that of Greater Bombay has been under consideration of Government for some time past. The main motivating factors in changing the present uniform of the Constabulary have been as under :-

(i) To make the policemen look smart and dignified;

and

(ii) To give the legal concept of one Police Force for the State as envisaged in Section 3 of the Bombay Police Act, 1951, visual form by removing the existing distinction between the Greater Bombay Police and the Mofussil Police through introduction of an identical uniform for the whole of the Maharashtra State Police.

2. The detailed description of the present uniform and of the new uniform accepted by Government for the various categories of Policemen in Greater Bombay and in the mofussil is contained in the Annexures 'A' and 'B' to this Resolution. The main features of the new uniform are as described hereunder :-

(i) Khaki terene-cotton half sleeve shirts and trousers;

(ii) Black leather waist belts with buckle plate;

(iii) Black shoes for Armed, Unaramed and Traffic Police;

(iv) Ankle boots for the Mofussil Constabulary for ceremonial parades;

(v) Black rubber shoes for the Greater Bombay Police Force Constabulary for use during the rainy season;

(vi) White drill cotton full sleeve shirts and Khaki Terene-cotton trousers for traffic Policemen in Greater Bombay and in the Mofussil;

(vii) The fatigue caps to be used as headgear for the constabulary as at present retaining the distinction in the flash colour i.e. red flash for tbe Mofussil Police and yellow flash for the Greater Bombay Police;

(viii) The peak caps for the police drivers in Greater Bombay to be replaced by the fatigue caps prescribed for the Greater Bombay Constabulary;

(ix) No change in the beret caps which are used as headgear by tho state Reserve Police Force Personnel.

3.The new uniform shall be introduced in phases subject to the conditions mentioned hereunder :-

(i) All items of current uniform at present held in stock should be utilised to their full life to ensure that there is no wastage on account of changing over to the new uniform.

(ii) The various items of uniforms such as cloth, socks, web anklets, shoes, belts, etc. will continue to be procured according to the existing Government policy and orders in that behalf.

(iii) The task of stitching the new uniforms should be entrustred to the Prison Department as hithertofore.

4. The ultimate net additional annual recurrent expenditure on the change over to the new uniform is estimated to be Rs.4,75,000/- on the basis of the rates now prevailing. The proposal, therefore, constitutes a new service. It has been decided by Government that 460 policemen in Greater Bombay and 540 policemen at the Divisional Headquarters should participate in the new uniform in the ceremonial parades on the occasion of the Maharashtra Day on 1st May,1979. For this, the Inspector General of Police, Maharashtra State, should take necessary steps to get prepared 1000 uniforms of the new pattern and to supply them to the policemen in Greater Bombay and at the Divisional Headquarters. The cost of cloth, nylon socks, web anklets etc, to be purchased for the new uniforms for 1000 policemen is estimated at Rs.1,27,000/- and the expenditure on that account should be met from the advance of Rs.1,27,000/- sanctioned from the Contingency Fund under Government Memorandum, Finance Department, No. CNF.1179/247/BUD-10, dated the 29th March 1979. Out of the advance of Rs.1,27,000/- an amount of Rs.56,000/- (Rupees fifty six thousand) only should be placed at the disposal of Commissioner of Police, Bombay under the minor head "J-State madquarters-Police" and of Rs.71,000/- (Rupees seventy one thousand) at the disposal of the Inspector General of Police, Maharashtra State, under the minor head "K-District Police" under the major head "255-Police". The Commissioner of Police, Bombay and the Inspector General of Police, Maharashtra State, should ensure that the expenditure on this account is correctly debited to the Contingency Fund Advances under the respective minor heads.

5. The expenditure on the new uniforms, if any, during the remaining part of the year 1979-80 should be incurred by the Inspector General of Police, Maharashtra State, and the Commissioner of Police, Bombay and met from the grants sanctioned for that year under the minor heads "K-District Police" and "J-State Headquarters-Police", respectively, under the Major Heads "255-Police".

6. As 1000 policemen will require new uniforms for participating in the parades on the Maharashtra Day on 1st May 1979, Government is pleased to direct that the cloth required for stitching the uniforms should be purchased by the Inspector General of Police, Maharashtra State, directly from the local market after obtaining competitive quatations urgently.

7. This Resolution issues with the concurrence of the Industries, Energy and Labour Department, vide its un-official

reference No.73227/IND-6, dated the 20th March 1979 and of the Finance Department, vide its un-official reference No.1226/CR/EXP-8, dated the 22nd March 1979.

By order and in the name of the Governor of Maharashtra,

V.S. CHITALE,
Deputy Secretary to the Government of Maharashtra,
Home Department.

To

The Inspector General of Police, Maharashtra State, Bombay,
The Commissioner of Police, Greater Bombay,
The Inspector General of Prisons, Maharashtra State, Pune,
The Director of Industries and Central Stores Purchasing Officer, Maharashtra State, Bombay,
